

Jack Barrett and Rebecca Adkins present:
**Performing a PM on the Medtronic/Covidien FT10
Surgical Generator**

Sponsored by: Rigel Medical

Wednesday, November 8, 2017, 2:00pm ET

PRESENTERS: JACK BARRETT AND REBECCA ADKINS

Jack Barrett, National Business Development Manager at Rigel Medical, has been providing consultative solutions for engineering and medical needs for forty years. In addition, he has participated in national seminar programs along with sessions for regional biomedical associations.

Rebecca Adkins CBET, Biomedical Sales Engineer at Rigel Medical, is an Army trained biomed and has over 20 years of experience working as a field service and hospital Biomed.

WEBINAR AGENDA: During this 60-minute presentation join Jack Barrett, National Business Development Manager and Rebecca Adkins, Biomedical Sales Engineer, at Rigel Medical who will perform a PM on the Medtronic/Covidian FT10 surgical generator and demonstrate testing techniques on this well know energy platform. The presentation will have hyperlinked video clips to show actual testing.

Webinar Wednesday would like to thank our sponsor Rigel Medical!

Rigel Medical is a leading manufacturer of biomedical test equipment including: electrical safety analyzers, vital signs simulators, infusion pump analyzers, electrosurgical analyzers, and Med-eBase asset management software. For more visit www.rigelmedical.com/usa

"Webinar Wednesday's are an excellent resource for continuing education credits. We have found them to answer some of the questions we have had for specific equipment management, and the discussions on regulations and latest rules have been useful as well. Keep up the good work!"

- Leroy S.

"I find Webinar Wednesday's highly educating and informative; I simply love it. It makes me a smarter BioMed!"

-Alero O.
