Webinar Wednesday would like to thank our sponsor AAMI!

Webinar Wednesday would like to thank AAMI. The Association for the Advancement of Medical Instrumentation (AAMI) is a nonprofit organization founded in 1967. It is a diverse community of approximately 7,000 professionals united by one important mission—the development, management, and use of safe and effective health technology. AAMI is the primary source of consensus standards, both national and international, for the medical device industry, as well as practical information, support, and guidance for healthcare technology and sterilization professionals. "Webinar Wednesday's are an excellent resource for continuing education credits. We have found them to answer some of the questions we have had for specific equipment management, and the discussions on regulations and latest rules have been useful as well. Keep up the good work!"

- Leroy S.

"I find Webinar Wednesday's highly educating and informative; I simply love it. It makes me a smarter BioMed!"

-Alero O.
