

Craig Diener presents:  
**Protecting Your Nuclear Medicine  
Imaging System Investment**

Sponsored by:  
Universal Medical Resources, Inc.

Wednesday, October 14, 2015, 2:00pm ET

**PRESENTER:** CRAIG DIENER, SENIOR PRODUCT MANAGER AT UMRI, INC.

The 75-minute webinar will feature Craig Diener, Senior Product Manager at Universal Medical Resources, Inc. Craig has 22 years of experience in Nuclear Medicine, which include 19 with an OEM in multiple capacities including Production Technician, Production Management, System Procurement and Asset Management, and Product Management.

This webinar will discuss ways to protect your nuclear medicine imaging system by monitoring environmental conditions that could harm camera operation. Craig will also discuss protection through maintaining the appropriate power quality; performing preventive maintenance; and utilizing Critical Product Recovery (CPR) for backing up camera data. Lastly, Craig will touch on what to look for in service contracts.

**DON'T MISS WEBINAR WEDNESDAY'S Q&A**

Craig Diener will end today's presentation with a Q&A session. If you have a question for Craig please submit it early by emailing [webinar@mdpublishing.com](mailto:webinar@mdpublishing.com). All questions will be addressed at the end of today's presentation.
