

John DiPasquale presents:  
**Image Quality and the Imaging Chain**

Sponsored by: Technical Prospects

Wednesday, April 27, 2016, 2:00pm ET

**PRESENTER: John DiPasquale, Technical Trainer for Technical Prospects, LLC**

This 60-minute webinar will feature John DiPasquale, Technical Trainer for Technical Prospects, LLC. John has obtained his associate degree in Instructor Technologies and Biomedical Equipment from Community College of the Air Force; his bachelor's degree in Business Administration and Electronics Technology from Wayland Baptist University; and his master's in Education from Boston University. He is a Certified Biomedical Equipment Technician (CBET), and has over 25 years of experience in the HTM industry.

**WEBINAR AGENDA:** This presentation will cover the following areas:

1. Image Quality
2. What components make up the imaging chain
3. For a service person – what kind of servicing tests do we perform and how does it influence imaging chain
4. Preventive maintenance – some food for thought

For experienced personnel – it should provide a nice refresher of concepts and ideas. For personnel new to the imaging field it will provide them some insight as to what can be done and why it is done.
