

Rob Morrison presents:
Introduction to Ocean Professional

Sponsored by: RTI

Wednesday, June 21, 2017, 2:00pm ET

PRESENTER: ROB MORRISON

Rob Morrison, Senior Applications and Product Specialist at RTI Electronics Inc., has over 30 years' experience working in sales, service, training and support for non-invasive X-ray QA devices, specifically with RTI Electronics products.

WEBINAR AGENDA: The presentation will include an Introduction to RTI's Ocean Professional software—part of RTI's complete X-ray QA solution. Efficiency and time saving benefits of Ocean will also be demonstrated by examining features such as customizable templates, robust analysis and reporting capabilities—all made possible by Ocean's unique database structure.

"Webinar Wednesday's are an excellent resource for continuing education credits. We have found them to answer some of the questions we have had for specific equipment management, and the discussions on regulations and latest rules have been useful as well. Keep up the good work!"

- Leroy S.

"I find Webinar Wednesday's highly educating and informative; I simply love it. It makes me a smarter BioMed!"
