PRESENTERS: WILL KINSEY AND GREG DOHERTY

Will Kinsey, MAP, PMP, Vice President of Client Services, at PartsSource, has over eleven years of supporting clinical engineers through the nation's largest clinical equipment service organization. He manages the client services department to deliver customer success, value and loyalty through enterprise program management, B2B software implementation and project management, client consulting, solutions engineering and procurement process engineering,

Greg Doherty, Executive Director of Clinical Asset Management, UnityPoint Health

WEBINAR AGENDA: Hospitals and Healthcare systems have become highly dependent on suppliers, and the ability to manage quality risk has become more challenging.

During this 60-minute presentation join Will Kinsey, MAP, PMP, Vice President of Client Services at PartsSource, and Greg Doherty, Executive Director of Clinical Asset Management at UnityPoint Health as they discuss how to continually manage costs and improve performance by not only selecting the right supply chain partner, but more importantly monitor and proactively manage quality in the supply chain to help reduce business risks and prevent revenue losses.
