

Ben Person presents:

Kill Your Spreadsheets:
How Top HTM Teams Optimize Reporting

Sponsored by: Nuvolo

Wednesday, November 29, 2017, 2:00pm ET

PRESENTER: Ben Person

Ben Person is Senior Director for Solution Consulting at Nuvolo. Ben leads the solution consulting team and helps HTM teams implement and maintain clinical enterprise asset management solutions.

WEBINAR AGENDA: During this 60-minute presentation join Ben as he discusses how leading HTM teams enable data-driven decision making and improve compliance with real-time reporting, and how they're doing it with modern, cloud-based CMMS alternatives.

Attendees will learn:

1. How to provide technicians with an easy-to-use mobile experience to ensure accurate data capture during clinical rounds and at the point of service.
2. How top HTM teams eliminate spreadsheets, manual data uploads and number crunching with real-time reporting and analytics.
3. The top reports that every HTM teams needs to improve patient care, cut costs and boost compliance—and how to make them in minutes, not hours or days.

Webinar Wednesday would like to thank our sponsor Nuvolo!

Nuvolo is a modern, cloud-based EAM platform that meets the highest standards for ease of use, performance and online and offline mobility capability for managing clinical equipment for healthcare providers. Visit www.nuvolo.com for more information.

"Webinar Wednesday's are an excellent resource for continuing education credits. We have found them to answer some of the questions we have had for specific equipment management, and the discussions on regulations and latest rules have been useful as well. Keep up the good work!"

- Leroy S.

"I find Webinar Wednesday's highly educating and informative; I simply love it. It makes me a smarter BioMed!"

-Alero O.
