

Mike Hill presents:

Nuc Med 101 - A Technical Perspective

Sponsored by: Universal Medical

Wednesday, July 18, 2018, 2:00pm ET

PRESENTER: MIKE HILL

Mike Hill, Training Support Manager & IT Manager at Universal Medical. Mike started out working as a Field Service Engineer for ADAC Labs. He has worked for Universal Medical for the last 19 years

WEBINAR AGENDA: This 60-minute webinar will feature Mike Hill, Training Support Manager & IT Manager at Universal Medical. Join Mike as he discusses "what is nuclear medicine", radioactive material concepts, fundamentals of diagnostic and therapeutic nuclear medicine, comparing nuclear medicine with other imaging modalities (CT/MRI/X-ray) and what is a gamma camera, from 30,000 ft.

**Webinar Wednesday would like to thank our sponsor
Universal Medical!**

Universal Medical has nurtured a business philosophy founded on offering comprehensive nuclear medicine equipment services at a reduced price. Universal Medical's products and services include, new and reconditioned nuclear imaging systems, quality parts, excellent equipment service, training courses for health care technology managers, camera system moves, technical and clinical support, flexible financing options, and more. Visit www.uni-med.com for more information.

"Webinar Wednesday's are an excellent resource for continuing education credits. We have found them to answer some of the questions we have had for specific equipment management, and the discussions on regulations and latest rules have been useful as well. Keep up the good work!"

- Leroy S.

"I find Webinar Wednesday's highly educating and informative; I simply love it. It makes me a smarter BioMed!"

-Alero O.
