Sonitor® presents:

Contact Tracing Essentials: RTLS Provides Critical Data To Help Regain Confidence & Safety By Automating Contact Tracing

Sponsored by:

sonitor®

Wednesday, June 17, 2020, 2:00pm ET

PRESENTERS: Sonitor®, Infor™ Location Based Intelligence (formerly Intelligent InSites) and Sanford® Health

WEBINAR AGENDA: In a world where contact tracing is now essential, RTLS (Real-Time Location Systems) can provide the necessary insights and data needed to seamlessly trace the path and reduce the spread of infection. Sponsored by Sonitor®, this 60-minute webinar delivered by teams from Sonitor®, Infor™ Location Based Intelligence (formerly Intelligent InSites) and Sanford® Health will focus on how RTLS can automate contact tracing and the value it is bringing to Sanford Health to help ensure staff and patient safety.

Webinar Wednesday would like to thank our sponsor Sonitor®!

Sonitor® is the leading provider of unique, ultrasound-based Real Time Location System (RTLS) solutions linking the physical world with the Internet of Things (IoT) to provide real-time visibility and connected intelligence. As the first - and only - company to use proprietary ultrasound technology as the primary technology for indoor positioning systems (IPS), Sonitor's platform automatically tracks the real-time location of moveable equipment and people with 100% room or sub-room level accuracy in complex, indoor environments, such as hospitals, clinics and ambulatory surgery centers. With an open integration platform, Sonitor® provides the flexibility to leverage best-in-class software application solutions covering many uses such as nurse call, patient flow, workflow and capacity management, hand hygiene and infection control and asset and inventory management. ABOUT

We continue to monitor COVID-19 very closely. This is an unprecedented and fluid situation, and we are planning our future events with the well-being and safety of all as our top priority. MD Publishing wants to be a leader in restoring conferences to the HTM community.

We are moving forward with our events in 2020 but in a new, safer format and by supporting state HTM associations.
